

CHARLES EAST

Consultant Facial Plastic Surgeon, Mr Charles East works at the Royal National Throat Nose and Ear Hospital and University College Hospital London and runs a private practice in Harley Street, London, renowned for its concentration of medical experts.

His main areas of interest are:

- Aesthetic and functional plastic surgery of the nose (rhinoplasty)
- Aesthetic and facial plastic surgery including bat ears (otoplasty), rejuvenating eyelid surgery, (blepharoplasty), face and neck lift.
- Brow lift, facial liposuction, fillers and botulinum toxins
- Nasal and endoscopic sinus surgery

Amongst a slew of academic achievements, Charles holds an Honorary Senior Lecturer post at University College London, and lectures regularly both here in the UK and internationally. He is also the course director of Plastic Surgery of the Nose, and Techniques in Facial Plastic Surgery courses. Charles is a member of the British Association of Aesthetic Plastic Surgeons and the UK representative for the European Academy of Facial Plastic Surgery.

He will provide you with a friendly and honest opinion regarding the surgery or treatment you require, always putting your wellbeing and safety first. Charles pays particular attention to pre- and post-operative care in order to optimise the outcome of your operation, and provide you with a smooth recovery after surgery.
